

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Edward James Cromer v Department of Corrections**
Docket No. **302062**
L.C. No. **00-000000**

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The original complaint for habeas corpus is **DISMISSED** for lack of jurisdiction. Plaintiff has not made the showing required by MCR 3.303(A)(2) to allow him to have properly filed this original complaint in this Court. Rather, plaintiff indicates merely that the Alger Circuit Court did not dispose of the action for habeas corpus that he brought in that court on December 20, 2010 before he filed the present original complaint in this Court on January 12, 2011. Assuming this is accurate, that the circuit court did not dispose of the action within a mere 23-day period cannot reasonably be considered to amount to a refusal by the circuit court to issue a writ of habeas corpus.
